Ab Abbey Blend

An old-world, mixed-sized retaining wall block from Allan Block.

The split-face texture of AB Abbey Blend from Allan Block gives old-world charm to any landscape. It also creates beautiful patterns by blending its different modular shapes together in random or pre-set patterns. Whichever way you stack it, the result is a classic retaining wall block wall that is, definitively, your own old-style statement set in stone.

AB Abbey Blend from Allan Block gives a smooth fluid finish in retaining walls for any outdoor living space. Featuring a built-in interlock and setback, these retaining wall blocks are easy to install without any special materials or tools. The hollow core offers superior drainage and easier handling for a faster installation.
