BROOKLYN FIRE PLACE KIT

The Brooklyn Outdoor Fireplace Kit is a perfect match for any outdoor entertainment area. Its timeless and compact design can add warmth, relaxation and comfort to any size outdoor living space. The architectural styling of the Brooklyn Outdoor Fireplace Kit is guaranteed to enhance the appearance and value of your home.

More than just a fire pit

The Brooklyn is an easy to install outdoor fireplace kit featuring Shaw Brick's durable Weathered WallStone that can withstand almost any weather conditions. This outdoor fireplace kit also includes the high-temperature fire-brick liner, mantle and chimney slabs and cap. The only thing you need to add is the hearth!

Transform any outdoor area by adding the warmth, light and atmosphere of a Brooklyn Outdoor Fireplace Kit from Shaw Brick.

Download the installation instructions in our Resources section here and, for expert help with your fire pit project, drop into one of the Shaw Retail Centres or one of our independent dealers.
