

CLASSIC OLDSTONE, TERRASTONE & PORTSTONE

Superior paving stones with easy installation and a classic look

Classic OldStone, TerraStone, and PortStone Pavers are straight-edged pavers that easily interlock together to create a multitude of patterns - one which will be just right for your outdoor living space. Superior quality paving stones, easy installation, and a classic look - they are also an ideal choice for applications with distinctive soldier course borders.

Choose from three different paving stone shapes and sizes

One of our most unique designs, these pavers come in three different shapes and sizes. Classic OldStone is a small rectangle, Classic PortStone is a larger rectangle and Classic TerraStone is square. Classic OldStone and Classic TerraStone are also available in an 80 mm thickness by special order.

These elegant concrete pavers are available in a range of earth tones: Chamois Charcoal, Mocha Charcoal, and Red Charcoal (OldStone and TerraStone only). In addition, we also offer a neutral charcoal (OldStone and PortStone only) tone.

No matter which pavers you select, rest assured that your project will be off to a great start when it is built on a foundation of Shaw Brick style, quality, and expertise. Drop into a [Shaw Retail Centre](#) or one of our [independent dealers](#) to learn more about making your project be the best it can be.

All colors may not be stocked at all locations, please check with your local Shaw Brick.
