Adds a refined, yet rugged look to your natural stone project

Guillotined Wall Stone gives a more refined look to a natural stone wall. Take natural stone in and trim it into square and rectangular pieces so it stacks tighter, and you have Guillotined Wall Stone from Shaw Brick.

With proper care, this wall stone product can be used to craft anything from larger retaining walls to petite garden planters. Consider pairing this landscaping stone with Formal Steps and Square Cut Flagstone for a contemporary natural stone look.

Guillotined Wall Stone is available in two limestone colour variations.
