

NOVA 3000

Modern slate paving stones, clean cut with a rustic feel

Nova 3000's natural, slate-like texture and rustic feel will be sure to inspire any outdoor living environment. A more recent addition to the Shaw Brick paver collection, these slate-like paving stones feature three different stone shapes - Large Rectangle, Square and Small Rectangle - all with a modern slate texture.

Paving stones available in 50 mm and 80 mm thicknesses

Nova 3000 Pavers are available in either 50 mm or 80 mm thicknesses ensuring strength and durability for any application. Consider the 80 mm paving stone for your higher traffic or heavier load areas. You can download a copy of the Nova 3000 Product Info Sheet [here](#)

Remember, when you buy Shaw Brick concrete paver products, you are also supporting our regional economy as we have over 150 years of experience in creating outstanding brick and stone products in Atlantic Canada.

Your project will be off to a great start when it is built on a foundation of Shaw Brick style, quality and expertise. Drop into a [Shaw Retail Centre](#) or one of our [independent dealers](#) to learn more about making your project be the best it can be.

All colors may not be stocked at all locations, please check with your local Shaw Brick.
