

Pisaedge

A smooth, sleek retaining wall for a modern landscape finish.

PisaEdge is an innovative segmental retaining wall system that brings a sleek, modern aesthetic to any landscape project. The blocks ensure swift and efficient installation, with many contractor-friendly features

PisaEdge offers flexibility, allowing for both battered (slight lean) retaining or perfectly vertical orientation, providing a wide array of installation possibilities. Easily construct garden or large retaining walls, two-sided seat walls, pillars, planters, or almost any other vertical element.
