

SEALERS

Shaw Brick carries sealers that will protect and enhance your pavers for many years to come.

Low Sheen Wet Look Lacquer

Our solvent-based, low sheen, crystal clear, deep penetrating sealer is designed for decorative concrete, paving stone and natural stone surfaces, to enhance and beautify their natural color.

Stain Block Elite

Stain Block Elite is a state-of-the-art penetrating sealer that is equally effective on porous and dense surfaces such as concrete, natural stone and masonry surfaces.

Lock N' Seal

Lock 'N Seal is a one step water based, UV resistant sealer and joint sand stabilizer designed specifically for interlocking paving stone installations.
