

VALUE STONE

A smaller patio block with big appeal

The diminutive 12x12" Value Stone is one of our most cost-effective Patio Stones. Its small size makes it easy to handle and its natural slate texture makes this patio block a beautiful choice for any landscape project.

Value Stone Patio Stones come in three attractive colours to complement virtually any landscaping scheme: Mocha Charcoal, Red Charcoal or Natural. Their textured surface also makes them an ideal non-slip patio slab alternative.

Value and quality built into every patio stone

While they may be smaller and more economical, rest assured that your project is on solid ground with Shaw Brick quality built into every stone. These patio blocks are distinctive and durable, which will greatly enhance the character and value of your home.

Your patio slab project will be off to a great start with Shaw Brick style, quality and expertise. Drop into a [Shaw Retail Centre](#) or one of our [independent dealers](#) to learn more about making your project be the best it can be.

This product may not be available at all locations, please check with your local Shaw Brick.
