

# Inspired Living

BEAUTIFUL DRIVEWAYS AND WALKWAYS, INVITING PATIOS, NATURAL STONE WALLS, FIRE KITS AND MORE. [SHAWBRICK.CA](http://SHAWBRICK.CA)

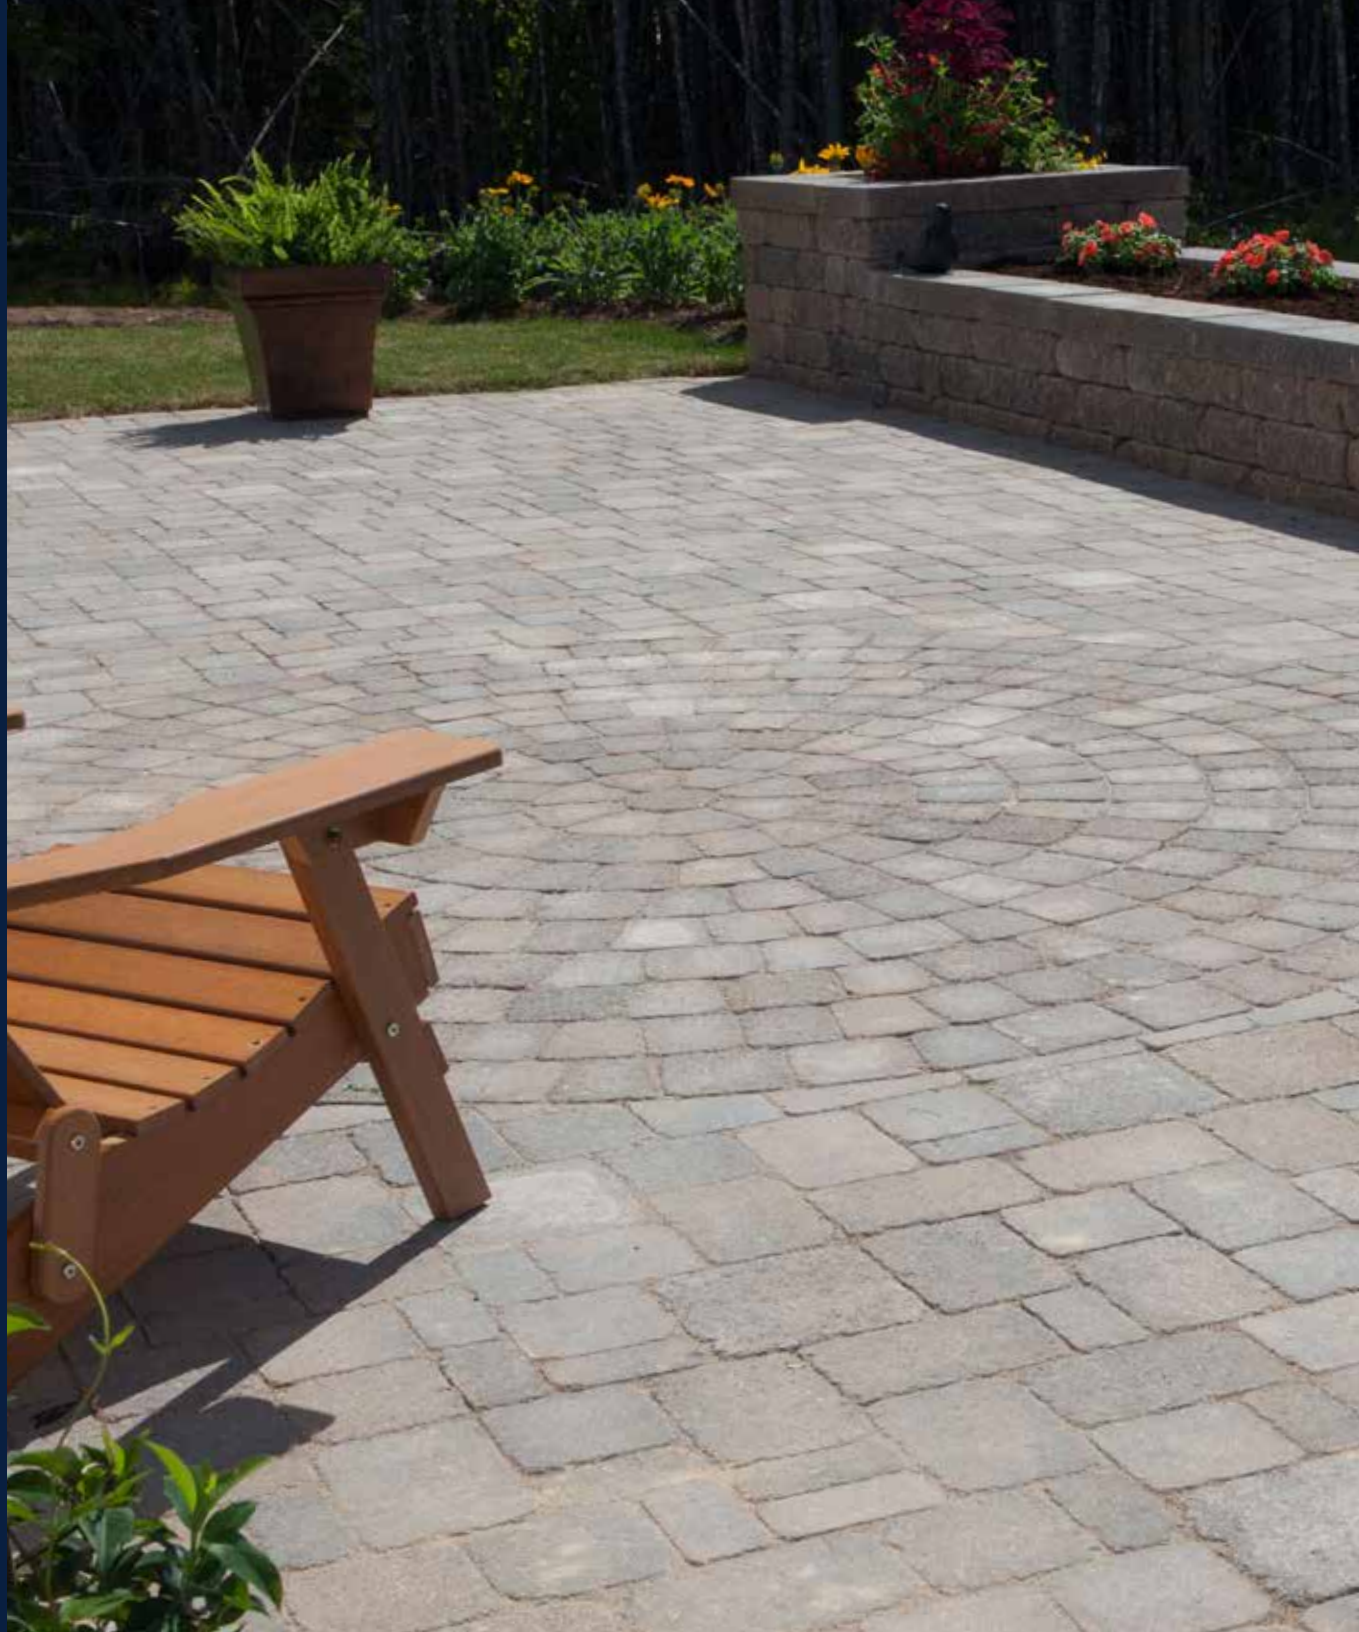

Welcome to Inspired Living, featuring Shaw Brick's Landscape Collection – a comprehensive line of superior quality landscape products manufactured in Atlantic Canada.

Inspired Living features a broad selection of regional projects showing how our products (and a little inspiration) have combined to create virtually any type of outdoor living space – patios, gardens, pool decks, fire pits, cooking areas, walkways, driveways and more.

Whether it's elegance, simplicity, performance or eco-friendliness you're after, this Idea Guide offers many inspiring design possibilities. Shaw Brick has the products and expertise to help you build with confidence.

We combine innovative product design with modern manufacturing methods to deliver on both aesthetic appeal and unmatched quality assurance. As Atlantic Canada's only manufacturer of clay building products and its largest manufacturer of concrete products, we proudly give you the opportunity to "buy local" in support of our local economy.

Please visit [shawbrick.ca](http://shawbrick.ca) to learn more about the full-range of Shaw Brick products, access specific product information, brochures, installation guides, and to locate one of our five Shaw Brick Retail Centres or any of our 340 dealers throughout Eastern Canada.

# Style, Quality & Expertise

With over 160 years of experience in creating outstanding brick and stone products, Shaw Brick offers you a world of choice in our Landscape Collection. It presents a vast array of hardscape solutions that capture and enhance natural beauty with patterns, colours and styles that will inspire outdoor living projects of every type.

Whatever style you are looking for – country charm, old world elegance or urban sophistication – you can create whatever your heart desires: driveways with curb appeal, relaxing patios and outdoor living rooms, serene garden walkways, peaceful fountains, sturdy retaining walls, or warm and inviting outdoor fireplaces.

No matter which products you select, rest assured that your project will be off to a great start when it is built on a foundation of Shaw Brick style, quality and expertise.

# Pavers

Offering innovative designs, a wide variety of styles and a host of colours, the Shaw Brick Paver Collection will inspire you to make any outdoor living space your own. If you're looking for a distinctive driveway, a charming heritage terrace, a warm and inviting patio, or a serene walkway through your urban garden – we have a solution for you.

Our premium quality Pavers are distinctive and durable, with the added bonus of outlasting other landscaping alternatives, which will greatly enhance the character and value of your home.

BARRINGTONSTONE CIRCLE, NATURAL CHARCOAL, WITH BARRINGTONSTONE, MOCHA CHARCOAL

# BarringtonStone

## ASSORTED, LARGE SQUARE & CIRCLE

BarringtonStone has a sophisticated old world style with modern staying power. Perfectly weathered and available in a warm array of colours, this paver combines four different shapes and sizes inspiring the popular non-linear or modular look. These stones can also be paired with the BarringtonStone Circle to create circular design accents on driveways, walkways or terraces.

WINDSORSLATE & CASTLESlate, NATURAL CHARCOAL

## WindsorSlate & CastleSlate

Boasting clean lines and an elegant slate-like finish, WindsorSlate comes in three different shaped stones. Combine it with the larger block-style paver, CastleSlate, to form random designs with strength at the core. These pavers mimic natural stone with colour blends that can all be found in nature. Their additional thickness makes them ideal for high traffic areas such as driveways, patios or poolsapes.

All colours are intended to be representative only.  
For accurate colour selection, please request an actual sample.  
Sizes are nominal.

WINDSORSTONE & CASTLESTONE, AUTUMN BLEND  
(TEXTURE MAY VARY. SAMPLE RECOMMENDED TO CONFIRM SELECTION.)

## WindsorStone & CastleStone

WindsorStone consists of three versatile shapes that fit together to form attractive, modular patterns. CastleStone is a larger block-style paver that can be integrated with WindsorStone to create striking and durable outdoor living spaces. Their tumbled and dimpled surface conveys an antique, countryside charm in any urban environment. Although these pavers could be used for any project, their extra thickness makes them a perfect choice for high traffic areas.

All colours are intended to be representative only.  
For accurate colour selection, please request an actual sample.  
Sizes are nominal.

EUROSTONE, AUTUMN BLEND

# EuroStone

As the name suggests, these attractive pavers have the look of old Europe – calm, winding streets that have witnessed the passage of time. One of our most unique designs, EuroStone comes in four sizes of tumbled stone offering a clean, linear pattern in a range of earth-tones. Installation is easy.

All colours are intended to be representative only.  
For accurate colour selection, please request an actual sample.  
Sizes are nominal.

# SienaEdge

SienaEdge is a complete segmental retaining wall system offering a linear modern aesthetic to any landscape project. The ideally sized block provides fast, efficient machine placed installation, while still offering a manageable weight for manual maneuvering if required.

SienaEdge eliminates complex estimations and ordering with the innovative multifunction block design, integrating standards & corners into the same block. The closed-end, Standard Block is ideal for building corners, ending two sided seat walls, and is able to create both vertical or battered walls, all with one block.

RANDOM FLAGSTONE, SCOTIA SLATE

# Natural Stone

Modern outdoor living spaces that combine the raw beauty of nature with all the comforts of home are becoming increasingly popular. Creating them with authentic Natural Stone – including sandstone, limestone, slate and granite – is a big part of this trend. The Shaw Brick Natural Stone Collection features a host of new, in-demand products that combine the elegance of nature with superior functionality and durability to create stairs, walls, slabs and more.

Natural Stone products undergo less processing, making them a more environmentally-friendly choice. There is a broad variety of colours and textures – please visit a Shaw Brick Retail Centre or [shawbrick.ca](http://shawbrick.ca) for additional choices not shown in this catalogue.

RANDOM FLAGSTONE, SCOTIA SLATE

# Random Flagstone

Random Flagstone has a unique and distinctive look. Create random patterns with the irregular contours and surfaces of this natural stone and your project will feel like it has always been part of your home's landscape.

All colours are intended to be representative only. For accurate colour selection, please request an actual sample. Sizes are nominal.

CITADEL BLACK PIER CAPS

# Pier Caps

Pier Caps (also called as Column Caps or Column Copings) caps offer a final touch to bare columns of entryway or fence posts. Post Lights can be mounted on these column caps to accentuate the space. Pier Caps also cover the column to save masonry work from weathering and extremes of climate such as rain & snow. Stone Pier Caps give a royal touch to your landscape walls, entry columns, and more creative landscaping spaces.

# Fire Kits

If you build it, they will come! Adding the warmth and beauty of an outdoor fireplace creates an undeniable focal point for your outdoor living space. And, it's easier than you might think with all-in-one Fire Kits from Shaw Brick. Fire rings, fire pits, and fireplaces can be functional as well as decorative, adding a little warmth on a chilly evening. A fire invites family or guests to gather and promotes social interaction, whether it's relaxed conversation or roasting marshmallows with the family.

BROOKLYN FIRE KIT

## Brooklyn Fireplace Kit

The Brooklyn Fireplace Kit is a perfect match for any outdoor entertainment area. Its timeless and compact design can add warmth, relaxation and comfort to any size outdoor living space. The Brooklyn comes as a complete, easy to install kit composed of Shaw Brick's durable Weathered WallStone that can withstand almost any weather conditions. The artful conception of the Brooklyn Fire Place is guaranteed to enhance the appearance and value of your home.
